

SECTION 3: PROPOSALS FOR THE 11 AREAS THAT COVER LEEDS

1. AIREBOROUGH

- 3.1. The Aireborough area is characterised by the major settlements of Guiseley, Yeadon and Rawdon. It is surrounded by Green Belt to the north, east and west, and includes large areas of countryside, including Hawsworth Moor to the west and the Wharfe Valley to the north. Aireborough extends out to Bradford MDC. Serving the area are Guiseley and Yeadon town centres and two local centres, Oxford Road, Guiseley and Leeds Road, Rawdon. The area is served by public transport links to Leeds City Centre along the A65 and Bradford and Harrogate along the A658. Guiseley has a train station which is on the Leeds – Harrogate line. To the east of Yeadon is Leeds Bradford International Airport, an important transport hub for Leeds and the city region as a whole. The socio-economic profile shows that of working households in Aireborough 29% earn less than £20000 p.a. whilst 26% earn £50,000 or more. In terms of unemployment, there was an unemployment rate of 1% in 2014 (claimants of working population). A number of neighbourhood plans are also being prepared throughout Leeds with Rawdon and Aireborough currently designated in Aireborough.

RETAIL PROPOSALS FOR AIREBOROUGH

- 3.1.1 The main retail centres within Aireborough are the town centres of Guiseley and Yeadon. There are four centres within the Aireborough area:
- Guiseley Town Centre
 - Oxford Road, Guiseley Lower Order Local Centre
 - Leeds Road, Rawdon Lower Order Local Centre
 - Yeadon Town Centre
- 3.1.2 For each centre a review of the centre boundary and survey of current uses has been undertaken. The Council is not allocating sites for retail in these centres but has made boundary changes which may provide scope to accommodate additional retailing. The survey of uses has been used to determine the primary shopping area and frontages (primary and secondary).
- 3.1.3 For policies and guidance referring to centre boundaries, primary shopping areas and proposals within protected shopping frontages, please refer to section 2 of this document. These policies must also be read in conjunction with the Retail and Town Centres section of the Core Strategy.

HOUSING PROPOSALS FOR AIREBOROUGH

3.1.4 See Section 2, paragraphs 2.26 – 2.71 for the Housing overview which explains the context for the housing allocations in this area.

3.1.5 **Total housing target for Aireborough** (set out in the Core Strategy) = 2,300 units (3% of District wide total).

Total Number of Dwellings/Capacity to be allocated:

3.1.6 The target of 2,300 residential units does not mean that land for 2,300 new units is newly allocated for housing. From the overall total, existing allocations (previous UDP housing allocations not developed), planning permissions expired since 31.3.12 and planning permissions with units still remaining to be built between 31.3.12 (the base date of the plan) and 5.4.15 as well as recently expired permissions have been deducted. These sites are listed in Policy HG1 below and count towards the overall target. They are shown as identified housing sites on the plan.

POLICY HG1 – IDENTIFIED HOUSING SITES

THE SITE ALLOCATIONS PLAN IDENTIFIES SITES WHICH HAVE EXISTING OR RECENTLY EXPIRED PLANNING PERMISSION FOR HOUSING OR MIXED USE INCLUDING HOUSING, OR WERE PREVIOUSLY ALLOCATED FOR HOUSING IN THE UNITARY DEVELOPMENT PLAN, AS IDENTIFIED HOUSING SITES. IDENTIFIED HOUSING SITES CONTRIBUTE TO THE TARGETS FOR THE ELEVEN HOUSING MARKET CHARACTERISTIC AREAS SET OUT IN CORE STRATEGY SPATIAL POLICY 7 (SP7). THESE ARE SHOWN ON THE POLICIES MAP. ALL IDENTIFIED HOUSING SITES ARE IN PHASE 1 FOR RELEASE, IN ACCORDANCE WITH CORE STRATEGY POLICY H1.

IN AIREBOROUGH THE SITES SHOWN AS IDENTIFIED HOUSING SITES ARE:

Plan Ref	SHLAA Ref	Address	Capacity	Completed post-2012	Under construction	Not started
HG1-1	734	Bradford Road - High Royds, Menston	349	335	14	0

HG1-10	741	Greenlea Road, Yeadon	30	30	0	0
HG1-11	3187	Station Garage, Henshaw Lane, Yeadon	5	0	0	5
HG1-12	1308	Site of Units at Green Lane Dyeworks and Mill Ponds and 25 and 27 Green Lane, Yeadon, Leeds	171	0	1	170
HG1-13	HLA2700370	26-28 New Road Side Horsforth	5	0	0	5
HG1-14	3229	Batter Lane, Rawdon	4	4	0	0
HG1-96	34	Low Hall Road -Riverside Mill, Horsforth LS19	54	0	0	54
Identified housing total:			967	546	33	388

3.1.7 Completions post 2012 plus sites under construction or not started can be deducted from the target (the sum of the last 3 columns in the table) to leave a residual for allocation for housing.

So, the residual target is $2,300 - 967 = 1333$ units

GREENSPACE PROPOSALS FOR AIREBOROUGH

- 3.1.19 The plan shows the green space sites proposed for designation within the Aireborough HMCA. These are predominantly existing UDP green space sites (some updated and modified to reflect the current situation) and additional sites identified through the OSSRA. Existing green space located within housing or employment allocations is not identified for designation however green space provision within any housing proposal will be addressed through the planning application process and the application of Policy G4 (New Green Space Provision) of the Core Strategy. The provision of green space will also be a requirement in some site specific policies contained in the housing section of this chapter. Any UDP green space sites that are not shown are proposed for deletion mainly because they are no longer in an open space use or are below the 0.2ha threshold. They are listed in the Green Space Background Paper.
- 3.1.20 Aireborough has a variety of green spaces from large public parks such as Nunroyd Park, Guiseley (4.28 ha), Tarnfield Park, Yeadon (16.95ha) and Micklefield Park, Rawdon (4.28ha) to smaller areas of amenity space, sports pitches and part of an old railway line, much of which is in close proximity to the built up area. These provide opportunities for a range of recreational activities though provision is still in need of improvement in terms of quantity, quality and accessibility. Revised surpluses and deficiencies by typology (undertaken in May 2015) for the Wards that fall completely or partially within the Aireborough HMCA are contained in the Green Space Background Paper.
