

SECTION 3: PROPOSALS FOR THE 11 AREAS THAT COVER LEEDS

10. OUTER SOUTH WEST

3.10. The Outer South West area is characterised by the Major Settlement of Morley, the settlements of West and East Ardsley, Gildersome and Drighlington, and the communities of Middleton and Beeston. The area contains settlements which are distinctive and varied from each other with many of these settlements within or close to portions of Green Belt and open land. The area also has important Green Infrastructure links which help to maintain the character and distinctiveness of the area. The north-eastern boundary sits adjacent to the rest of Beeston and the Inner area and is close to the southern edge of the City Centre. Much of the area has good access to the M621 and M62 which bisect the area, communities are also linked by the A58, A62 and A653.

Overall, the socio-economic profile shows that of working households in Outer South West Leeds 32% earn less than £20000 p.a. whilst 8% earn £50,000 or more. In terms of unemployment, there was an unemployment rate of 3% in 2014 (claimants of working population). Neighbourhood Plans are being prepared, including Beeston within the Outer South West HMCA.

RETAIL PROPOSALS FOR OUTER SOUTH WEST

3.10.1 The main retail centres within Outer South West are the town centres of Morley and Middleton, supported by five local centres. The seven designated centres are:

- Beeston Local Centre
- Drighlington Local Centre
- East Ardsley Local Centre
- Middleton (Ring Road) Town Centre
- Middleton Park Circus Local Centre
- Morley Town Centre
- Tommy Wass Local Centre

3.10.2 For each centre a review of the centre boundary and survey of current uses has been undertaken. The Council is not allocating sites for retail in these centres but has made boundary changes which may provide scope to accommodate additional retailing. The survey of uses has been used to determine the primary shopping area and frontages (primary and secondary).

3.10.3 For policies and guidance referring centre boundaries, primary shopping areas and proposals within protected shopping frontages, please refer to section 2 of this document. These policies must also be read in conjunction with the Retail and Town Centres section of the Core Strategy.

HOUSING PROPOSALS FOR OUTER SOUTH WEST

3.10.4 See Section 2, paragraphs 2.26 – 2.71 for the Housing overview which explains the context for the housing allocations in this area.

3.10.5 **Total housing target for Outer South West** (set out in the Core Strategy) = 7,200 units (?% of District wide total)

Total number of dwellings/capacity to be allocated:

3.10.6 The target of 7,200 residential units does not mean that land for 7,200 new units is newly allocated for housing. From the overall total, existing allocations (previous UDP housing allocations not developed), planning permissions expired since 31.3.12 and planning permissions with units still remaining to be built between 31.3.12 (the base date of the plan) and 5.4.15 as well as recently expired permissions have been deducted. These sites are listed in Policy HG1 below and count towards the overall target. They are shown as identified housing sites on the plan.

POLICY HG1 – IDENTIFIED HOUSING SITES

THE SITE ALLOCATIONS PLAN IDENTIFIES SITES WHICH HAVE EXISTING OR RECENTLY EXPIRED PLANNING PERMISSION FOR HOUSING OR MIXED USE INCLUDING HOUSING, OR WERE PREVIOUSLY ALLOCATED FOR HOUSING IN THE UNITARY DEVELOPMENT PLAN, AS IDENTIFIED HOUSING SITES. IDENTIFIED HOUSING SITES CONTRIBUTE TO THE TARGETS FOR THE ELEVEN HOUSING MARKET CHARACTERISTIC AREAS SET OUT IN CORE STRATEGY SPATIAL POLICY 7 (SP7). THESE ARE SHOWN ON THE POLICIES MAP. ALL IDENTIFIED HOUSING SITES ARE IN PHASE 1 FOR RELEASE, IN ACCORDANCE WITH CORE STRATEGY POLICY H1. IN OUTER SOUTH WEST THE SITES SHOWN AS IDENTIFIED HOUSING SITES ARE:

Some planning requirements apply equally to all sites and so are not detailed for each site specifically. See Section 2, paragraphs 2.43 – 2.54 for generic site requirements.

GREENSPACE PROPOSALS FOR OUTER SOUTH WEST

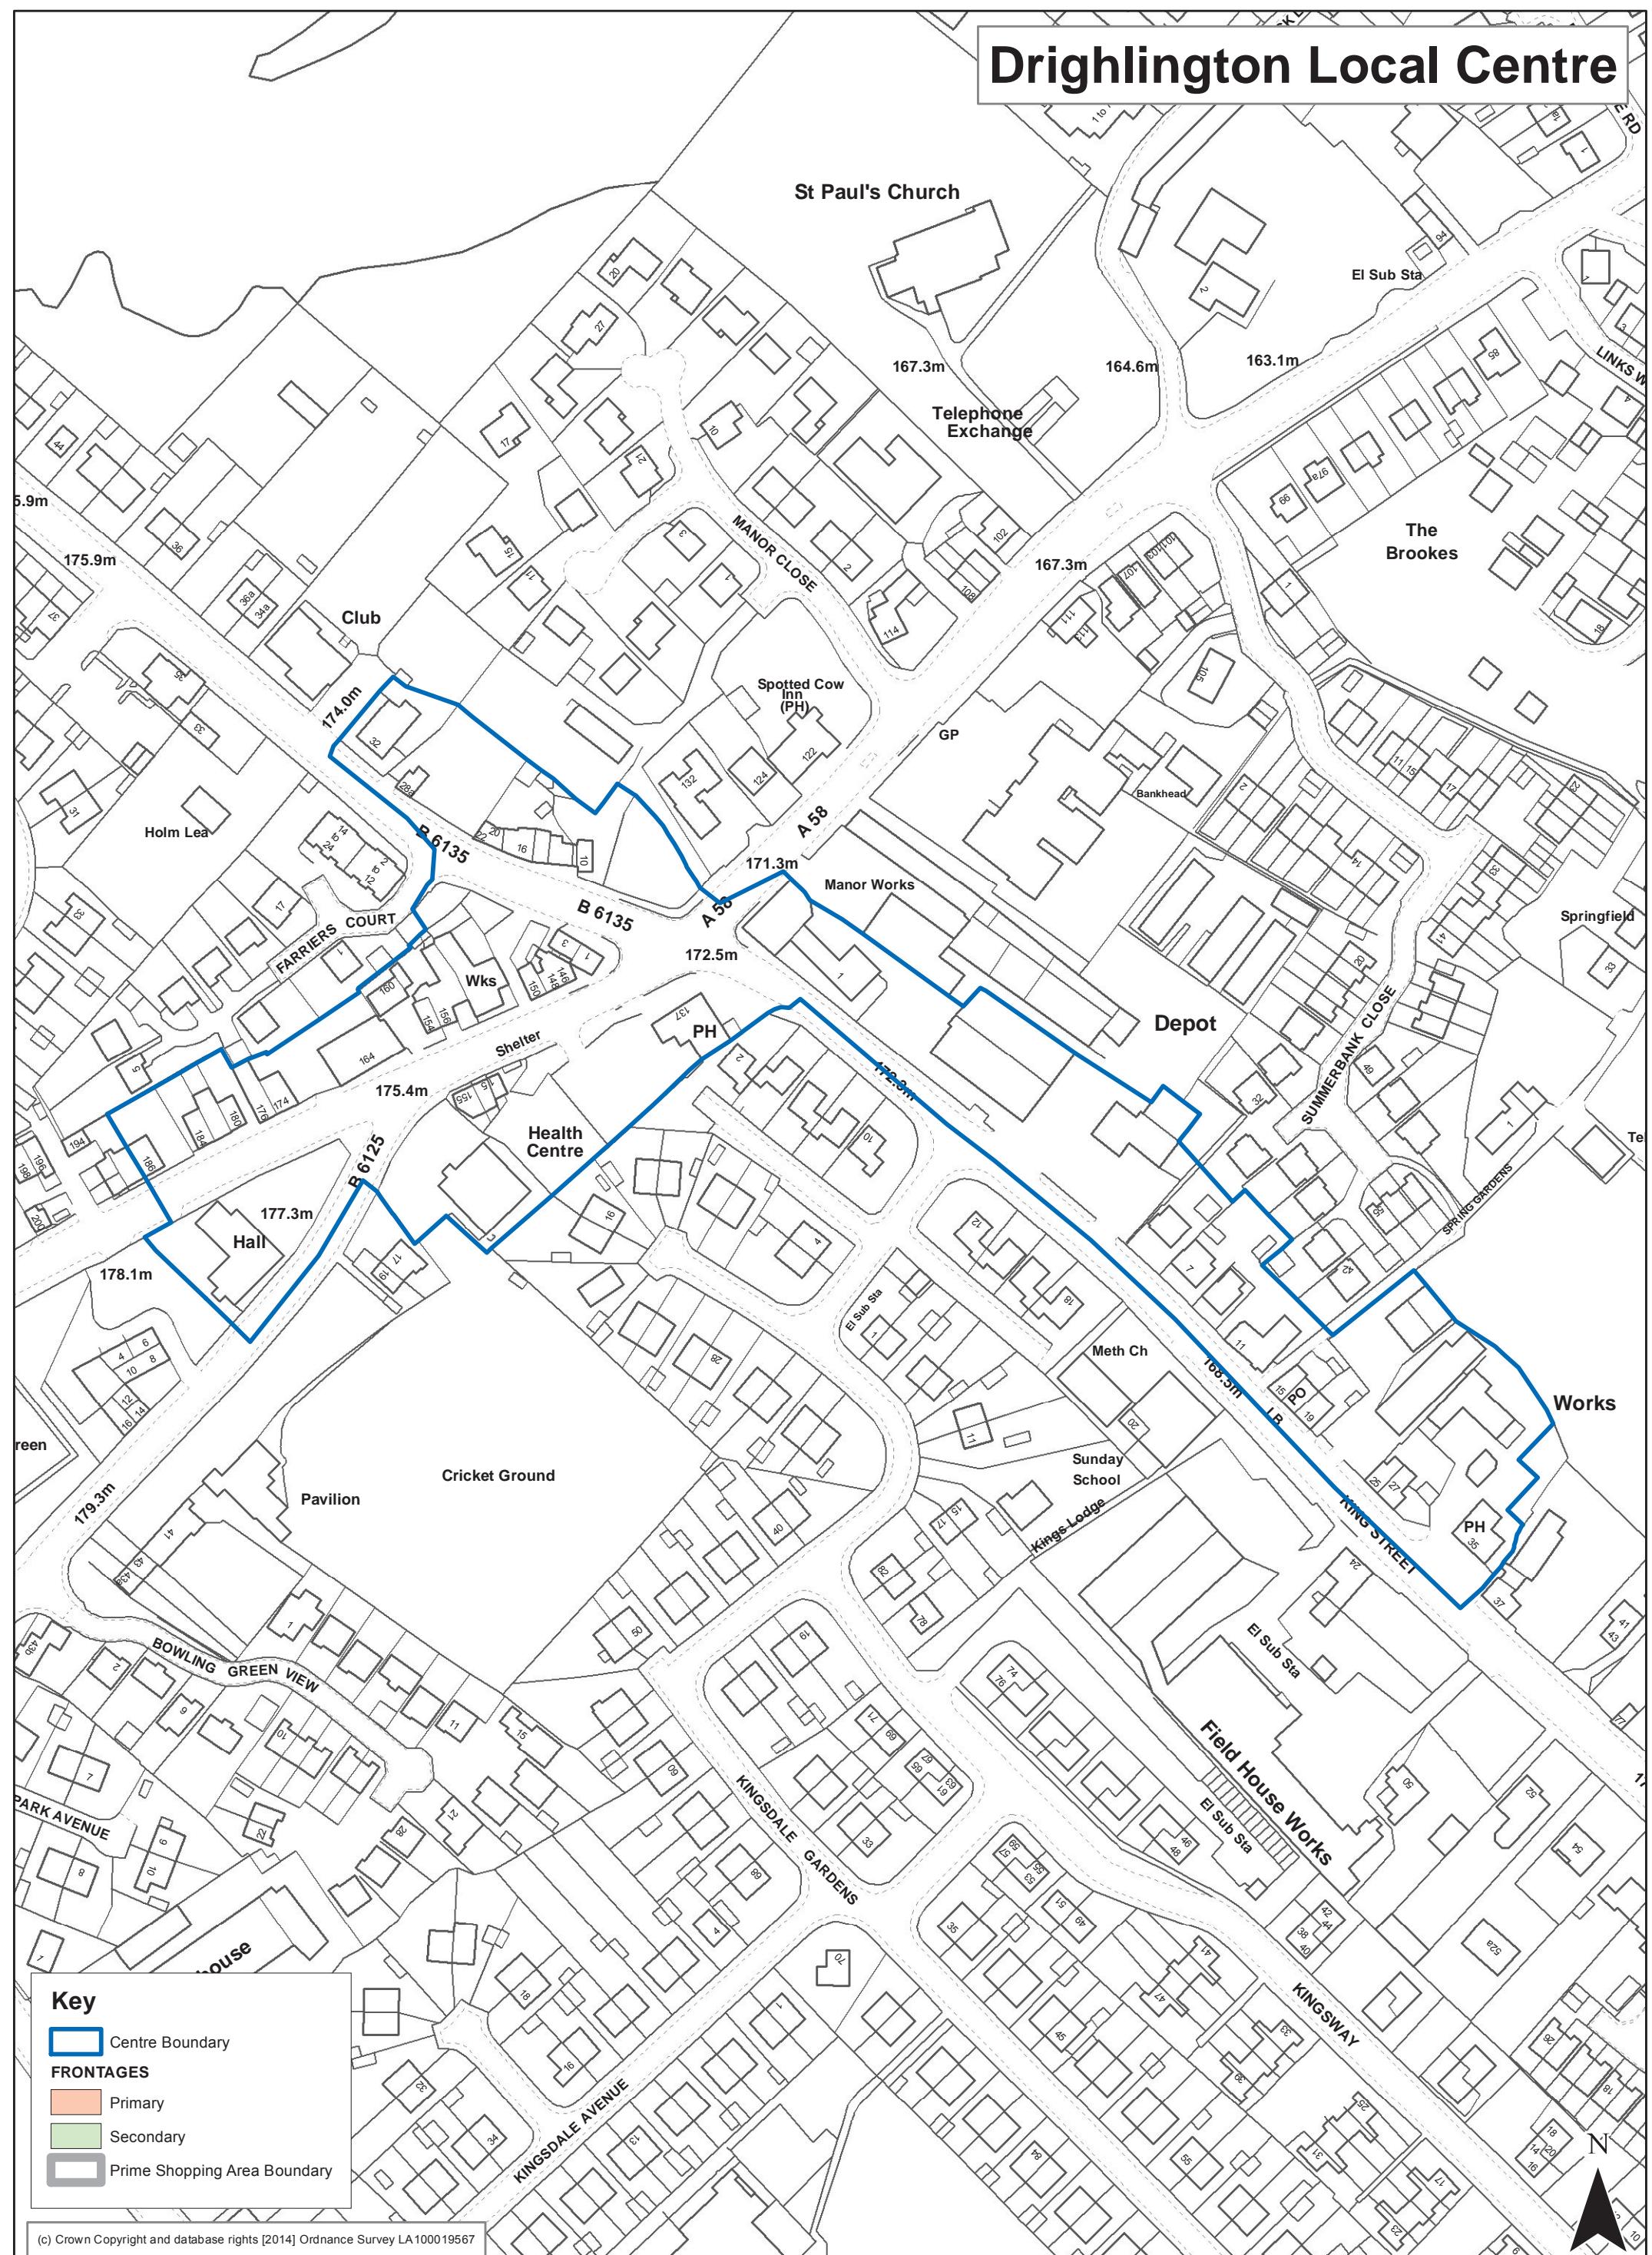

3.10.18 The plan shows the green space sites proposed for designation within the Outer South West HMCA. These are predominantly existing UDP green space sites (some updated and modified to reflect the current situation) and additional sites identified through the OSSRA. Greenspace located within housing or employment allocations is not identified for designation however greenspace provision within any housing proposal will be addressed through the planning application process and the application of Policy G4 (New Green Space Provision) of the Core Strategy. The provision of green space will also be a requirement in some site specific policies contained in the housing section of this chapter. Any UDP green space sites that are not shown are proposed for deletion mainly because they are no longer in an open space use or are below the 0.2ha threshold. They are listed in the Green Space Background Paper.

3.10.19 The largest area of green space in the Outer South West area is Middleton Park (113.8ha) which gives opportunities for a range of recreational activities. Adjacent to the park is Middleton Park Golf Course (50ha) though the course has now closed and the City Council is considering what future use this area may have. South Leeds Golf Course (18ha & 27.5ha) lies to the west. There are a range of other green spaces offering a variety of facilities and opportunities for recreational activities, such as parks including Cross Flatts Park (17.3ha) and Scatcherd Park (4.3ha), recreation grounds including Glen Road Playing Fields (9.1ha) and Hembrigg Rec (3.9ha), and more natural areas including East Ardsley Reservoir (32.4ha) and Adwalton Moor (17ha). Nevertheless provision is still in need of improvement in terms of quantity, quality and accessibility. Revised surpluses and deficiencies by typology for the Wards that fall completely or partially within the Outer South West HMCA are contained in the Green Space Background Paper.
